INTRODUCTION

الأنظمة المعدنية المتخصصة حسيب راسoul
Haseeb Rasoul Specialized Metal Systems

INTRODUCTION

Advanced Industries Group (AIG), is as a market leading contracting & specialized manufacturing company with over 50 years' experience in the field of Interior Fit-outs and Furnishing.

Our international experience has resulted in a portfolio of prestigious landmark projects based on a rich set of technical and operational skills. Besides our project management capabilities which is being handled by our projects department, Advanced Industries Group garners the strength from its manufacturing subsidiaries: Haseeb Rasoul and Specialized Metal Systems.

❖ AIG's Target sectors includes:

- ◆ Hospitality
- ◆ Office & Commercial
- ◆ Residential
- ◆ Healthcare
- ◆ Retail & Mixed Use
- ◆ Airport Terminals

❖ AIG's Area of operation:

- ◆ Middle East and North Africa

Our team of experienced engineers and architects run the engineering activities by building on AIG's legacy, using the latest construction methods, design tools and techniques.

The professional team of project managers ensures highest standards are met while executing projects according to client's expectations of quality, schedule and budget.

The well-built and reliable supply chain that extends to international sources of high quality materials is a key feature, adding to AIG's competency

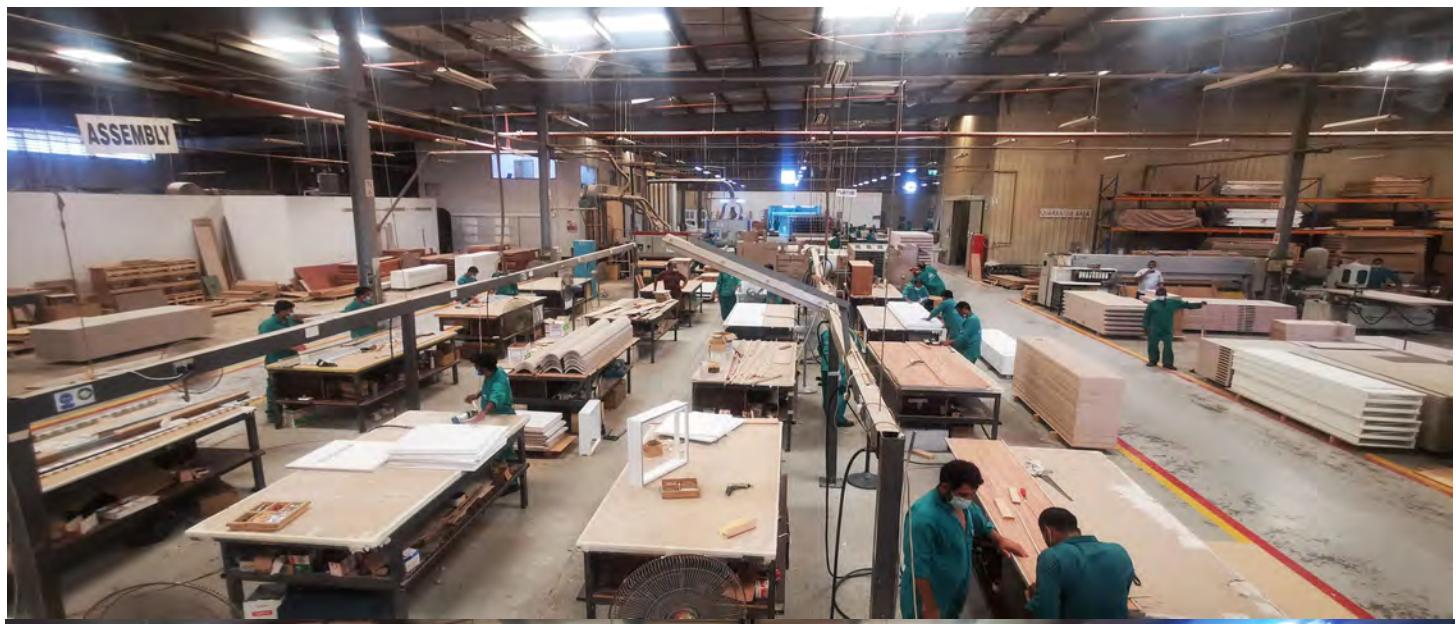

Our manufacturing facilities use state of the art advanced machineries that are being operated according to international best practices of manufacturing management:

- **HASEEB RASOUL COMPNAY FZC.**
HRC caters to the field of Interiors and Furnishings with having an extensive experience in Production of Woodworks and Execution of Turn-key Interior works and decoration.
- **SPECIALIZED METAL SYSTEMS**
SMS is well known for producing Interior and Exterior Architectural Metal & Stainless Steel works, such as Claddings, Handrails, Balustrades, Lift Surrounds & other Decorative Elements.

CERTIFICATE OF REGISTRATION

This is to certify that

Haseeb Rasoul (A member of Advanced Industries Group)

Plot No. 1D-06
P.O. Box 42327
Hamriyah Free Zone
Sharjah
United Arab Emirates

has been audited and found to meet the requirements of standard(s) FSC-STD-40-004 (Version 3.0) EN and FSC-STD-50-001 (Version 2.0) EN for FSC® Chain of Custody Certification

Scope of certification

The Manufacture and Installation of FSC Certified bespoke Joinery and Furniture Products.

Products:

W11 Wood for construction
W12 Indoor furniture,
W11.11 Window blinds, shutters etc
W12.9 Wardrobes
W12.13 Shelves

A handwritten signature in black ink.

Robert Veitch

Executive Vice President Fire & Building Products

Element Materials Technology

Issuing Office: Warringtonfire Testing and Certification Limited via bmtrada Chilham House, Stocking Lane, High Wycombe,

Buckinghamshire, HP14 4ND, UK

Registered Office: 10 Lower Grosvenor Place, London, United Kingdom, SW1W 0BN Reg.No. 11371436

This certificate remains the property of BM TRADA. This certificate and all copies or reproductions of the certificate shall be returned to BM TRADA or destroyed if requested. The validity of this certificate and the list of products covered by this certificate shall be verified at www.fsc-ids.org/. Forest Stewardship Council®

This certificate itself does not constitute evidence that a particular product supplied by the certificate holder is FSC certified (or FSC Controlled Wood). Products offered, shipped or sold by the certificate holder can only be considered to be covered by the scope of this certificate when the required FSC claim is stated on sales and delivery documents.

Multsite clients - The scope of certification shown above includes the participating sites shown in appendix A. The products and processes are performed by the participating sites but not necessarily by each of them.

Certificate number: TT-COC-003381

Issue number: 2021-01

Certificate start date: 28 April 2020

Certificate expiry date: 27 April 2025

Date of initial certification: 28 April 2010

QUALITY MANUAL

QUALITY MANUAL

Doc Code: AIG-QM-01

Revision: 00 – Issued: 01-06-2017

Conforms to ISO 9001:2015

This document and the information contained therein is the property of Advanced Industries Group and external recipient is obliged to treat this document confidentially. It must not be reproduced in whole or part otherwise disclosed without the written consent in writing from the proper authority of AIG.

PREPARED BY	REVIEWED BY	APPROVED BY
QUALITY MANAGER	OPERATIONS DIRECTOR	C.E.O

QUALITY POLICY STATEMENT

ADVANCED INDUSTRIES GROUP and its subsidiaries, Haseeb Rasoul FZC, Specialized Metal Systems FZC, Integrated Interiors, and AIG Projects involved in manufacturing, supply and installation of architectural metal products and joinery/furniture has a vision to be a global leader with professionalism, innovation and safe project delivery in every operational area.

In order to ensure the disciplined growth and an increase in the market share of the company, the management is committed to implement and maintains Quality Management System in accordance with the requirements of ISO 9001: 2015 standard.

Top Management is committed to:

- Satisfying applicable requirements by ensuring that customer, applicable statutory and regulatory requirements are determined, understood and consistently met.
- Continual improvement of the QMS by identifying the interested parties, ensuring the risks and opportunities that can affect conformity of products and services and the ability to enhance customer satisfaction are determined, addressed and all the focus on enhancing customer satisfaction is maintained.

Top Management shall:

- Take accountability for the effectiveness of the QMS.
- Ensure the quality policy and quality objectives are established for the QMS and are compatible with the context and strategic direction of the company, Quality objectives have been set and are maintained as a part of the QMS internal auditing, monitoring and management review processes, in order to enhance customer satisfaction.
- Promote the use of a process approach and risk-based thinking.
- Ensure that the resources needed for the QMS are available; including training, support and encouragement.
- Communicate the importance of effective quality management and of conforming to the QMS requirements
- Ensuring that the QMS achieves its intended results and promote improvement.
- Engage, direct and support persons to contribute to the effectiveness of the QMS.
- Support other relevant management roles to demonstrate their leadership as it applies to their areas of responsibility.
- Establish partnerships with both internal and external interested parties to provide an improved service.

This policy will be communicated and understood by all employees and applied within organization by sincere cooperation of everyone and made available to relevant interested parties, as appropriate.

We periodically review this policy, and where deemed necessary will be amended. This provides a framework for establishing and reviewing objectives & targets.

Chief Executive Officer

Doc. No. AIG-EHSM-01 rev. 01 / Dt. 17/01/2017		
Prepared by: HSE Manager 	Reviewed by: C.O.O. 	Approved by: C.E.O.

ENVIRONMENTAL, HEALTH AND SAFETY POLICY

ADVANCED INDUSTRIES GROUP and its subsidiaries, Haseeb Rasoul FZC, Specialized Metal Systems Co. LLC, and AIG Projects, manufacture, supply and install architectural metal products, joinery/furniture and as well as undertake project management activities.

AIG's Top Management is committed to the continual improvement of its Environmental, Health and Safety Management System in all areas of the organization, which include to:

1. **Communicate** relevant information of our EHS Management Systems to our employees, suppliers, customers, and other interested parties.
2. **Compliance** to relevant EHS Legislation and other requirements.
3. **Conduct and review** Environmental Impact Assessment and Risk Assessment on all our activities implementing control measures to manage EHS Risks to meet our EHS Targets and Objectives.
4. **Commitment** to provide adequate EHS resources, prevent environmental pollution, prevent occupational injury and ill health.
5. **Continual Improvement** of our EHS Management System to meet relevant requirements and comply with ISO 14001:2015, and OHSAS 18001:2007 standards.

We periodically review this policy, to ensure the framework of our EHS management system is established and maintained. And that our EHS policy, objectives and targets are reviewed, communicated, and understood within the organization.
